Missionaries in His
service 'til He comes
September 22, 2015

Dear Partners in the Faith,

You may remember in previous letters that one of the events I participate in each week, along with three other men, is to hold a Bible Study class at a nearby assisted living complex. We have different classes from our Christian School come to sing during our service as well as other special music. The attendance runs around 20 to 25 each week and it is always a joy to minister to them.

The lady to the right is Maria who was born in El Salvador, Central America and is 89 years old. She came to America at the beginning of World War II and was a welder in a shipyard on the west coast. Of course she was raised a Catholic but was converted to the Jehovah Witness.

Maria began to attend our Bible Study class and made it clear she was a JW, but she continued to come faithfully hearing the Word of God. Of course, we prayed for her as we do for all those who attend.

Recently Bob McGuyer, one of the Bible teachers, and I visited her room with the purpose of leading her to the Lord Jesus Christ. Maria listened carefully and asked and answered questions as I was going through the plan of salvation. I invited her to pray the sinner's prayer and she was glad to pray along with me. She continues to attend faithfully each week to our class and is joyful in the Lord for the gift of eternal life she received by faith in the Lord Jesus Christ.

Dear friends, what would you do if you were walking down your street after dark and you noticed a house was on fire? What would you do? I dare to say you would do all you could do to wake them up and if necessary break down their door and rescue them at any cost or inconvenience to you. I am sure you would do that.

Well we ought to look at people that way as we pass by them where we shop or go. Their souls are headed for an eternal fire without Christ and God has commissioned every Christ follower to give them the gospel. Do you care enough to hand them a good gospel tract or a DVD that we produce here in our home that has five soul-winning videos that are professionally produced. They are free for the asking for as many as you can use.

Friend, if you don't reach them then who will? Somebody cared enough to reach you so shouldn't we do the same and reach others? Years ago I purchased a cassette tape intitled "**Is there a Hell?**" The sermon on hell, (not heard very often in churches today) changed my view of the world we live in. I see every person as a soul that will live in one of two places after they die. I have this sermon placed on my website. If you are interested go to www.bama4u.org, then click on **GOOD VIDEOS THAT WILL HELP YOU**, then click on **HOW TO GET TO HEAVEN FROM WHERE YOU ARE**, then click on **CLICK HERE for next page**, then click on **IS THERE A HELL?** Remember, Jesus spoke more about hell than He did about heaven.

We are grateful for your continued prayer and financial support. Giving to missions is an eternal investment. One day you will meet your investments in heaven. God bless you.

In His service 'til He comes,
