

MEL & CAROL BROWN

Missionaries

July 05, 2013

Dear Praying Friends,

Please forgive us for being a little late in getting out our Prayer/News letter. Time seems to fly by faster the older we get. We have been so involved in our different ministries that it is hard for us to do everything that needs to be done.

The Lord has opened two doors for us to conduct two mission conferences recently. Both churches are very small and are unable to bring in a popular mission's speaker so I was able to fill their need for their special occasion.

Each conference was 3 to 4 days long. I preached sermons on reaching the world for Christ. In the Sunday School hour I taught the people all about the Faith Promise method of supporting missionaries. One church reported they had quadrupled their missionary giving over last years, plus their tithe offerings have increased significantly. We praise God for the good attendance and interest of the people to reach the people across the street and around the world. **That is our mission in life.**

Another door has opened. I have been invited to be the guest speaker at the 33rd anniversary of the LaLoma Baptist Church in Manila, the last part of September and early October. LBC is the first church we planted on Sept. 27, 1980. I will also take part in the dedication of their new auditorium while there. I am scheduled to preach in many of the churches our graduates have planted. Most of these churches are on the Island of Luzon.

Carol will not be going with me but I will be accompanied by Bro. David Harris who is the Far East Field Director of BIMl. He will also be preaching in our churches. Please pray for our safety and that God's power will be upon us as we minister to those dear people.

We are grateful for your faithful prayer and financial support these many years as we serve Him. You are a vital part of this ministry. Thank you so much!

In His service 'til He comes,

Melvyn and Carol Brown
