Missionaries

Helping Missionaries with conferences,
Bible Institute material, and short-term furlough relief.

January 16, 2006

Dear Partners in the Harvest,

Greetings! We want to share with you a DVD video of what God has done in the Philippines. We often get all the credit and glory for the work these last 25 years but we only had a part in it. It has taken many people these 25 years to get the job done.

Some have given financially, maybe a one-time gift or faithfully each month. Some have prayed faithfully or whenever God brought us to your mind. Some gave us land or a building to begin a new work. Some shipped us Bibles for new converts and books for our Bible Institute libraries, now over 20. Some churches gave us their song books for our new churches. Some, pastors and laymen, have even visited us and held meetings in one or many of our churches. A few Pastors came and spent a whole week holding a conference with our national Pastors. Some were the key-note speakers at our Bible Institute graduations. Some have given us transportation while home on furlough as well as eye care. I could go on and on. Without this the job could not go on.

You, along with many others, were and are an encouragement to Carol and me as well as the people we ministered to for 25 years. Carol and I want to share with you this DVD to show you that your time, money and prayers accomplished a lot for His glory.

We will never know the total number of people reached with the gospel this side of heaven. We have children, grand children, great grand children and more in the faith. Our hearts are blessed as we recall what God has done and continues to do even now.

Carol and I are no longer full of vim and vigor but we still have a burden and a desire to continue to serve Him until the day He calls us home. We have a lifetime commitment.

Words cannot express our gratitude for the part you have had or are having in our ministry. Your investment is an everlasting one because you have deposited it in the bank of heaven. Thanks again for all you have done and are doing for the cause of Christ.

In His service 'til He comes,

Melvyn & Carol Brown
