*“But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.” Acts 1:8*

Dear Praying Friends,

Greetings! Since 1980 Carol and I have been spending most of our time in *“the uttermost part of the earth”* (the Philippines) winning souls, planting churches and Bible Institutes. Since 1997 we spent a lot of our time relieving missionaries that need to return to the States; 3 times in Scotland, 3 times in Canada, plus returning eight times to the Philippines for meetings and conferences and twice to China (*“the uttermost part”*).

In between our trips we try to reach our “Jerusalem”. I have been helping some friends of mine reach the inner city areas of Birmingham, Alabama. Most people overlook those neglected, hi-crime places. We spent Friday going door-to-door presenting the Gospel of Jesus Christ to those who opened their doors to us as well as those walking by. Then on Saturday morning we continued to go door-to-door. In the afternoon there was a time for fun and games for all the kids, followed by special music, testimonies and preaching.

We knocked on the door of the lady, to the right, on Southside across from St. Vincent Hospital. She came to the door in a wheel chair. She is here from New Orleans, a Hurricane Katrina victim. A spider bit her on her legs and she had to have both of them amputated. She is now rejoicing in the Lord for her eternal salvation.

Many Gospel tracts were given out. Where people were not home we always dropped one in their mail slot in the door. The overall results have been encouraging and fruitful.

Here a team is witnessing to a man setting in his van parked along the side of a house. We just have to go where the fish are biting. Our “Jerusalem”.

Thank you for holding the ropes for us with your faithful prayer and financial support.

In His service ‘til He comes,

As I was standing in the park I noticed a lady setting on her porch watching the event. I walked across the street and walked up on her porch and engaged in a conversation with her. I asked her: "Where would you go If you were to die tonight?" She replied: "I sure wouldn't go to heaven." After several minutes of telling her how she could go to heaven, she prayed to receive Jesus Christ as her personal Savior.
