Dear Praying Friends,

We hope you had a wonderful Christmas Season. We were able to spend some time with 2 of our 4 children's families which was a real treat for us.

One highlight of Christmas was to participate in an evangelistic effort at a gift distribution center here in Birmingham. We had many teens and adults trained and ready to present the Gospel of Jesus Christ for three full days, December 18-20. The weather was very cold but that didn't keep away the over 6,000 people who came for their Christmas toys.

We were able to share the Gospel to those who waited outside in the long lines, as well as those who were on the inside waiting for their bags of goodies. We helped carry out the goodies to their cars and were able to give a witness there before they drove off.

A few of us roamed the parking lot looking for those who waited for their family inside. We were amazed how receptive the people were. Over 232 adults prayed to receive Jesus Christ as their personal Savior. We tried to give each person a good Gospel tract before they left the place. Only God knows how many will read those tracts and get saved. Those who prayed received the greatest Gift they'll ever receive, that is Jesus Christ, eternal life and heaven.

At the present we are getting ready for our trip to the Philippines and China. I will be preaching in two 4 day pastor conferences on World Missions. We will be leaving Birmingham on February 20th and around 24 hours later arriving in Manila. Please pray that God will use us both while there. We will be able to meet many of our Spiritual children and grandchildren. It is always a blessing to hear and see what God is doing in their lives. Our national pastors continue to plant new churches and Bible Institutes. It is exciting to see how God supplies all their needs there in their country.

Carol and I want to thank those who gave us a Christmas love offering along with their regular monthly support. We really appreciate all that you are doing in our behalf. We could not continue on without your faithful prayers and financial support. Thank you again.

In His service 'til He comes.
