**INTERLINEAR GREEK TEXTUS RECEPTUS
NOW AVAILABLE**

800 Pages give the Greek text from which the King James Version was translated in 1611. Literal English words appear between the lines, and under each Greek word, making it possible for *anyone* to make an accurate check on all new Bible Versions. Many hard-to-understand verses are made clear by this more literal translation. *It is not necessary to understand Greek, in order to receive help from this book.* Foot-notes on each page give the initials of six men who changed this Greek text in about 6,000 places. **GOD WROTE ONLY ONE BIBLE**, and no man can prove this is not the New Testament God wrote according to 2 Peter 1:21. *Write for current price list.*

BELIEVING BIBLE STUDY

Dr. Edward F. Hills' excellent sequel to THE KING JAMES VERSION DEFENDED. Here he covers a history of the various Greek texts, various omissions, and numbers of problem passages. The student is led to see how all true believing Bible study must come from the KJV. A classic! 258 pages.

**The Apostasy of the Early Church
Prepares the Way For Corrupting Copies
of the Original Manuscripts**

Corruption of the original Bible manuscripts and its influence can be traced from the days of Origen, 200 AD down through the committees responsible for the English Revised Version of 1881; American Standard Version of 1901; and all modern Bibles which depart from the Greek Textus Receptus. The following references are given to prove that this is true:

HERE'S THE ACID TEST

Any version of the Bible, that does not agree with the Greek Textus Receptus, from which the King James Bible was translated in 1611, is certainly to be founded upon corrupted manuscripts. Origen, being a textual critic, is supposed to have corrected numerous portions of the sacred manuscripts. Evidence to the contrary shows he changed them to agree with his own human philosophy of mystical and allegorical ideas. Thus, through deceptive scholarship of this kind, certain manuscripts become corrupt. Evidently from this source our modern revised version Bibles and paraphrases have come. Read pages 900-902, Vol. 16, 1936 edition Encyclopedia Britannica, and you will see that Origen taught the Lord Jesus Christ is a created being who did not have eternal existence as God.

**WATCH — AND REMEMBER — ALWAYS
TO KEEP BOTH EYES OPEN**

“After my departing shall grievous wolves enter in among you, not sparing the flock. Also of your own selves shall men arise, SPEAKING PERVERSE THINGS, to draw away disciples after them. Therefore WATCH, AND REMEMBER, that by the space of three years I ceased not to WARN EVERYONE NIGHT AND DAY WITH TEARS.” — Acts 20:29-31.

GOD WROTE ONLY ONE BIBLE

This book reveals a secret plot of diplomatic trickery, which seeks to destroy faith in the plenary-verbal (word by word) inspiration of the Bible. Modern versions and paraphrases cannot be the full and complete Word of God, when essential portions have been deleted. Bible text corruption is spiritual blood poison, and faith can be no more perfect than the Word which produces it.
